Deciphering the Blockchain

Thu Sep 13 2018

5:30 – 6 pm Registration & Networking

6 – 6:45 pm Presentation

6:45 – 7:30 pm Networking

Fox Rothschild invites legal, financial and FinTech professionals and blockchain enthusiasts to an evening of networking and a panel discussion on recent trends and developments in blockchain, other distributed ledger technologies and ICOs.

Topics:

- Technology overview
- Application to bitcoin, cryptocurrency and beyond
- Regulatory and litigation implications
- Security ramifications and cybersecurity concerns

Speakers:

[Caroline Morgan](#), Fox Rothschild LLP

[Antonia Savaria](#), Atlantia Advisers

[Harumi Urata-Thompson](#), HUT Consulting

Enjoy hors d'oeuvres, a wine/beverage bar and networking before and after the panel presentation as we make connections and continue the conversation.
